Not since the publication of the excellent catalogue of the Dr. French Collection of Large Cents has anyone made a similar offering to compare with it.

NOW

The NUMISMATIC GALLERY announces that they have in preparation a PRICED CATALOGUE offering for sale at fixed prices one of the world's finest collections of U. S. LARGE CENTS, that formed by

MR. OSCAR J. PEARL

of New York City

Plans for this catalogue call for the finest of its kind ever published. It will be a permanent reference book for the series and will be sought by collectors for generations.

In view of our conservative policies, such statements may seem out of place—but we are sincere in our resolution. We are proud of our accomplishments in the numismatic field—of our famous consigners; of our A.N.A. Convention Sale, of our Michael F. Higgy Sale. THIS CATALOGUE will be head and shoulders above any of the others—cost what it may.

Our Higgy Collection Catalogue cost over twice the sum charged for it. What this one will cost, we have only a vague idea. What it will be worth, we don't know. **BUT** if any purchaser disagrees that it is worth several times his cost, we'll refund his money and he can keep the catalogue—free.

To be printed on fine stock, with complete descriptions, and attributions, profusely illustrated with actual photographs of the coins to be sold at fixed prices, it is offered to you at \$2.00. Subscriptions for a limited edition of bound volumes will be accepted at \$5.00.

Subscription to the Higgy Catalogue was 50c; it now sells at \$5.00. The Pearl Catalogue is yours for \$2.00. It will contain information which costs over \$25.00 to obtain right now. No advance payment necessary. **ORDER YOURS NOW.**
